Foreword

Our Alma Mater

Today, high school is one of the most important phases of life. It is in high school that we prepare ourselves for the future. Here, we are influenced by friends, classmates, teachers, and the general spirit of the school. High school helps to mold our character and build our knowledge for the work ahead. It is largely our education and character which will decide our success after high school. The class of 1963 feels grateful that we have been able to attend such a fine high school. For this reason we have chosen the Kingston High School Alma Mater as the theme of the 1963 MAROON.

The Class of 1963

We, the
Class of 1963,
wish to dedicate our
MAROON to you,
Mr. Edgar Stevens.

We take pride
in doing this because of

your patient interest in your students,

your good humor,

and your ability in teaching mathematics.

Dedicates Its Maroon to

Edgar J. Stevens

A Belated Good-Bye and a Warm Thanks

Last year both Mrs. Norwood and Mrs. Deyo announced their plans to retire after THE MAROON had gone to press. Therefore, we take this opportunity to thank you for all you have done for us and to wish you every happiness in your retirement.

Just before he left K.H.S. Mr. Miller talked over many of the administrative difficulties with his Vice Principal, Mr. Dan Allen.

Mr. Miller Leaves Kingston High School

Sometimes it becomes necessary to leave a position in which one is honored in order to be of more service to mankind. This year the student body had to face this situation and relinquish its friend, fellow worker, and perhaps best-loved principal—M. Clifford Miller. We shall miss his praises in times of victory, his sorrow in times of our defeats, and his wisdom in times of trouble. We shall remember his concern for our lives, his humor, and his understanding attitude towards young people.

Mr. Miller graduated from Kingston High School and was president of his senior class. He acquired his college education at Tufts University and then returned to K.H.S. as a teacher of English. World War II interrupted his career, but after the war he returned to the position of Guidance Counselor. From this office he was promoted to Vice Principal of the high school. Later Mr. Miller's services were needed in the principalship of the M.J.M. Junior High School, and then in 1955 he was appointed Principal of his Alma Mater. The life of M. Clifford Miller has been one of true dedication to the young people of Kingston. We wish him the best of luck in his new job as Assistant Superintendent of Schools.

Mr. Miller's office door was always open to students and faculty alike. Here he is seen with Mr. James E. Tobin, Mrs. Marion Roosa, and his secretary, Lily Stange.

Mr. Miller's fondest memories will probably be those of the students he worked with. Here he is seen with Guy Bush, this year's Student Council President.

"A RECORD OF OUR THOUGHTS"

The MAROON is the diary of the Senior class. It is a record of our thoughts and feelings, activities, and experiences. It is the product of the Senior class and is indescribably and distinctively a part of the Senior class.

We of the MAROON staff will remember this year with special pleasure. Compiling the yearbook was an unusual experience and an enjoyable one. We were especially fortunate to have Kulsoom Husein, our foreign exchange student from Pakistan, in our homeroom and on the staff.

The MAROON, this year, took on all the aspects of a well run organization. Co-editors Schreiber and Rose appointed more special editors than had ever been appointed before. Every staff member soon had the feeling that he was an important part of a vital mission, publishing the MAROON. Our thanks go to Mrs. Odell, the MAROON art advisor, and Mr. Schwarz, our general advisor.

The informal homeroom experience found in M-2, the MAROON headquarters, was an enjoyable close to a busy school day.

A YEAR OF SUCCESS FOR *DAME RUMOR*

All through the thirty-one years of its publication, DAME RUMOR has had a dual purpose. First, it serves as a medium of information for the school. All social, athletic, and scholastic events are announced and reported to the students and faculty through *D.R.* The second purpose is to give to students interested in journalism an opportunity to gain experience in column writing, editing, and expressing their opinions through editorials.

DAME RUMOR was begun as a four column in February 1932, by Hi-Y. Later it grew to five columns as one of the better school papers in the state. With Miss Agnes Scott Smith as advisor since its inception, DAME RUMOR has ranked among the top five or six high school newspapers in New York State in twenty-five different years. It has also won various awards in all fields of writing.

DAME RUMOR comes out ten times a year. Several special issues are included, such as the six page Christmas issue and the eight page Commencement issue. *Lame Humor*, the April Fool issue begun in 1961, is now a regular issue.

Student Council

The Student Council is the legislative branch of The Kingston High School Student Association. Each student upon entering K.H.S. automatically becomes a member of the Student Association and is represented in the Student Council by an elected delegate from his homeroom. By democratic means and with the cooperation of the faculty, the Student Council helps govern the school.

Beside being an effective form of student government, the Student Council also acts as a service club. Among the Council's annual projects are the sale of student movie cards, the Bundle Drive for the Save the Children Federation, and the donation of Christmas trees to the Albany Avenue Infirmary, the Tuberculosis Hospital and our high school.

Perhaps more closely associated with the student body is the Student Council Winter Carnival. This year Joe Bonavita and Sharyn Farber teamed to make the novel project a profitable enterprise for the various organizations that participated.

The scholars and the leaders of the school were given their due recognition at the Honor Roll Picnic and the Awards Assembly. The money collected from the cafeteria juke box provided the funds for the Student Council Scholarship which was presented during the Awards Assembly.

To the Melodious Canary of K.H.S;

You really are! I hope you have a fabulous summer and don't forget to write.

Guy Bush leads a full S.C. meeting in the auditorium. The organization is to be congratulated on its efficient operation.

The Student Council serves the student body every day. Lester Markle headed the committee which provided students with an opportunity to buy three daily newspapers at reduced rates. Bill McDermott and Peg Hazenbush were in charge of selling K.H.S. pennants and shakers. *The Little Black Book of K.H.S.*, *The Student Handbook*, and the radio program *Kingston High in Action* on WBAZ are three more examples of the Council's good work.

A special word must be given to Barry Gold, the Student Council's General Publicity Chairman. Barry spent much time and effort in coordinating the various student events; he gave special attention to each one in turn.

Guy Bush, Student Council President, Mrs. Mildred DeWitt, the Council's faculty advisor, and the entire Student Council must be commended on another very successful year of service.

Prisma

Prisma is a service organization composed of girls of Kingston High School. The requirement for membership is selling at least three magazine subscriptions. Again this year the magazine drive was a success; over $9,500 was collected. Leslie Markle was high sales-girl. The magazine proceeds are used in furnishing scholarships to worthy seniors.

Among the school events sponsored by Prisma are the fall fashion show, in which senior girls model fashions from Kingston stores, and the annual Sweetheart Swirl held in February with the joint effort of Key Club.

Latin Club, a very active organization, is designed to help the students to understand better the Greek and Roman Civilizations. The meetings, held every two weeks, are either business meetings or special programs put on by the members. The first special program consisted of a Roman fashion show and a Roman radio broadcast. On December 8, the annual banquet was held. Members dressed as Romans and feasted on pizza. Plans for the more serious spring banquet for the inductions of new members were carried forth.

A club should provide rich experiences in the field of its purpose. The vital part of the Future Teachers Association is the experience of teaching it gives to its members. This year, plans were made to observe elementary schools and the Emma Wygant School for retarded children. A Halloween party for the Emma Wygant children was given by the F.T.A. To supplement our experience, Miss Galeo, a student teacher, told of her decision to be a teacher and the furthering of her education in college as preparation for her career.

Plans were made to earn money by having a booth in the Winter Carnival. This money will be used for scholarships for students entering the teaching field. Through experiences, lectures, and activities in teaching, the F.T.A. has fulfilled its purpose and become a stepping stone for young people planning to become the guides of knowledge.

Hi-Y is a service club which is affiliated with both the school and the Y.M.C.A. This year the two clubs took part in the district youth and government program at Goshen, raised money for the March of Dimes Campaign, and co-sponsored the annual District Play Day on February 22. They played host to both the Mid-Hudson District Council, of which they are a member, as well as to the Newburgh-Orange County District Council. On November 8, 1962, these two clubs co-sponsored a very informative school assembly. Mr. Richard Cooper, who is connected with the Y.M.C.A. and World Services, spoke to the upperclassmen about India and its importance in today's world.

Leaders Club is an organization of junior and senior girls chosen for their ability in sports and other phases of physical education. The leaders are placed in gym classes to teach the other girls the fundamentals of volleyball, basketball, baseball, and gymnastics. The highlight of leaders club is the induction of "worms" in the spring of each year. The Leaders Club picnic, the culmination of inductions, is held at North Lake where the "worms" are blindfolded and really put through the mill by the old guard leaders. However, after the inductions are over, a good time is had by all. Leaders Club also participates in May Day Exercises by performing a series of precision marches.

In 1951 the Business Club was organized to bring together students in our commercial department and to teach them good business habits.

The members of Business Club operate the store in the rear of the cafeteria. This enables students to obtain various school supplies during lunch periods. This year the members also sold plastic cushions with K.H.S. sports scenes imprinted on them, held a bake sale, and had a booth at the Winter Carnival.

With the proceeds of these money-raising campaigns, the Business Club members enjoyed a trip to New York City in the spring. They also awarded a sum of money to a graduating boy and girl who have maintained high averages in their commercial courses.

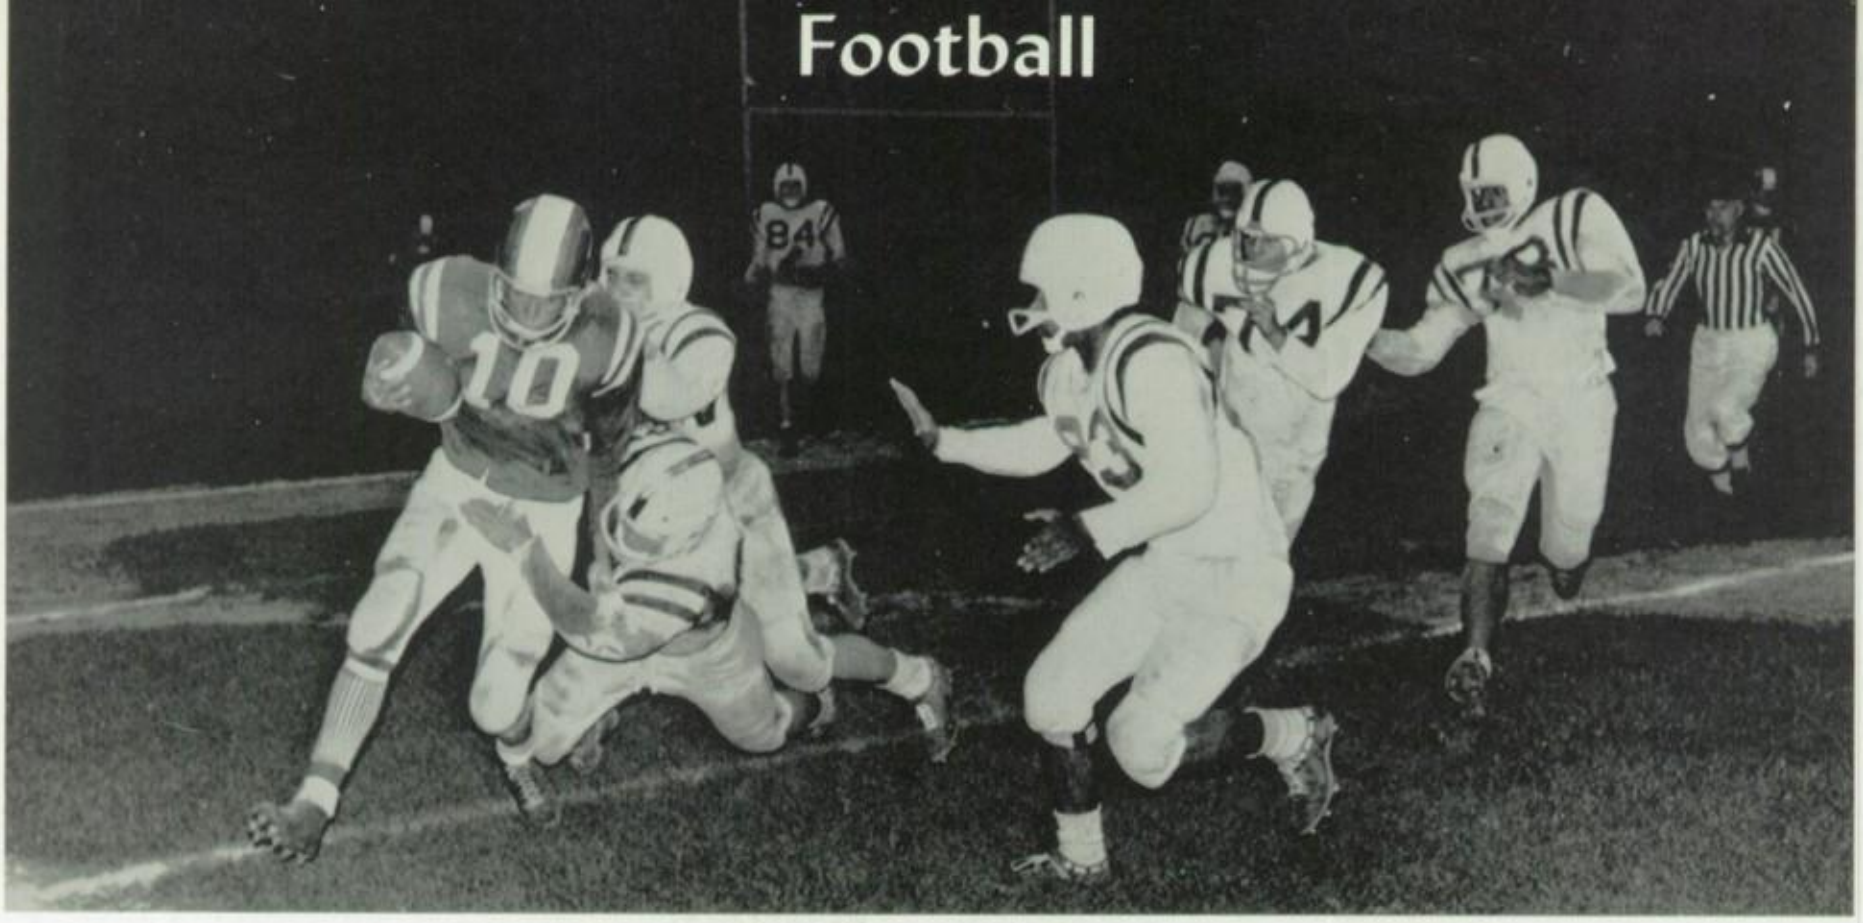
Alma Mater Kingston High School

We shall never fail . . .



Determination was the keynote of this year's K.H.S. Football Squad.

Kingston High's own Coach Burke fought each game for his team; his dedication has given the school reason to be proud of him.

A Fast Moving Season for K.H.S.

Repeating the tough eight game schedule of last year, Kingston opened its 1962 football season in fine fashion by defeating Suffern High School 19-14 on the passing arm of quarterback Mike Hart and the bruising center line play of Bob Ploss.

Mike and Bob along with fullback Guy Bush, a consistent ground gainer for Kingston all season, received Honorable Mentions to All DUSO.

In the second game on the schedule, Kingston deadlocked the highly rated Albany eleven 14-14. Despite the aggressive line play of Co-captain Jack Lewis, Kingston bowed to White Plains 13-33 in our third non-league game. Jack, an outstanding player and our only returning All DUSO selection from last year, again received All DUSO honors.

Our first league game was with Poughkeepsie and after a valiant two-touchdown effort by Co-captain end Paul Natale, our offense was stifled. The Bridge City eleven nipped Kingston 19-12, but this didn't stop Paul from gaining a berth on First Team All DUSO. The Port Jervis-Kingston game ended in a 13-13 tie, the second of the

ason for Kingston.

In our sixth game, guard Jack Lewis recovered a ount Pleasant fumble, ran 23 yards for a touchdown, d helped stage the upset of the year when we trounced e highly praised Mt. Pleasant team 13-7. However, our irits were dampened a little by the beating we received at e hands of Middletown 14-42. Our one consolation was at we were the only team in the DUSO League to score gainst the Middies. Kingston's two touchdowns were scored All DUSO Tom Auringer, a junior and one of the most tstanding backs in the League. Kingston crushed New-rgh 26-0 in the traditional Thanksgiving Day game and imaxed a season of three wins, three losses, and two ties. alfback Bob Kennedy's 84 yard touchdown gallop was highlight of the game. Bob ended a brilliant season by ing selected to Second Team All DUSO.

With eight lettermen returning next year, including All USO halfback Tom Auringer and Second Team All DUSO fenseman John Sexton, Kingston can look forward to a ccessful season and a possible DUSO crown.

This year's K.H.S. Wrestling Squad had a good man to fill each weight division, but what it lacked was depth. The team felt this lack whenever one of their starting men was sidelined. Despite this fact, Coach Brown received excellent performances from lettermen Richard Koyon, Bill Trataros, Jim (Duke) Cortwright, and Tom Auringer, who hasn't been pinned in two years of varsity wrestling. Ed Cheeley, also a letterman and former J.V. grappler, has done well on Varsity and will be the wrestler to watch next year. Other noteworthy performances were turned in by George Ector, Larry Bruck, and Earl Wright, all of whom earned letters.

A Year of Basketball Excitement

With two games remaining to be played, this year's basketball team had an unimpressive won-lost record of 8-8. However, K.H.S. fans saw much excitement with five of the games being decided in the final, thrilling seconds of play.

Winning decisively its first three games of the season, the team showed promise of being a top D.U.S.O. League contender. Losses by erratic play to Poughkeepsie and Newburgh shattered our hopes. Inconsistency marked this year's squad as evidenced by the wins over potent Monticello and Lourdes and losses to Liberty and our other perennial rivals.

Sharpshooting Ronnie Thomas led Coach John Gilligan's cagers. Ronnie along with Paul Natale, Pete Roberts, and George Warnefeld will graduate. Returning to restore K.H.S. to its former glory will be Jim Plunket, Larry Marcus, Mike Carning, Larry Armstead, Paul Gruner, Lennie Mills, and Chip Ennis.

Larry Armstead—third player in K.H.S. history to make the "starting five" as a freshman.

All-DUSO Ron Thomas, shown here in the Poughkeepsie game, turned in a fine performance by scoring 30 points against Monticello.

Junior Larry Marcus, known for his consistently fine play, is shown here hitting his "jumper" from the top of the key.

Ronnie's "floating jumper" posed an ever-present threat.

"Hallelujah!!"

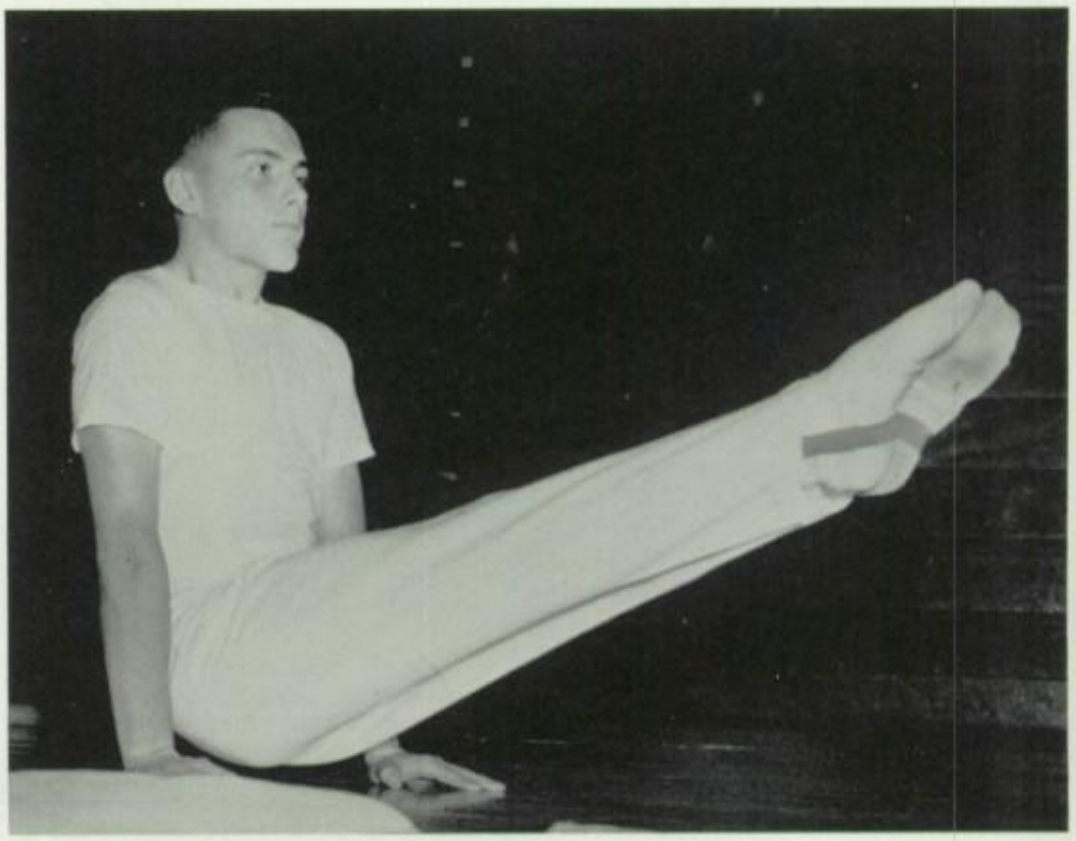
Members of the Cross Country Squad: So Proud!

"Peek-a-boo, Whipse."

Nate always could shoot lefty.

Quite a crowd, huh, Rick?

Nice block, Joe!



Joe Kearney—true perfection

Coach Brown: "Burns, what are you up to?"

"If you think he's ugly, you should see his brother."

Dirty business, isn't it?

"Chip" Ennis and Rick Cyr get all the gravy.

"Go, Moe!"

Junior "Chip" Ennis was a vital part of this year's successful Cross Country team.

K.H.S. GOES TO THE STATE CROSS COUNTRY MEET

Coach G. Warren Kias's hill and dalers completed a most successful season with another fine season in sight for next year. The team will suffer the loss of senior lettermen Ed Sermier and Jeff Davis. The Kiasmen, led by Captain Rick Cyr, had a little trouble overcoming Monticello and Newburgh. This was due mainly to inexperience and to the absence of "Chip" Ennis. But the rest of the season became a dream come true for Coach Kias.

The harriers easily swept the Port Jervis squad and the Lourdes' team. It also easily humbled the '61 DUSO champs, Middletown. In the DUSO meet, the Kiasmen took control. The Section 9 Meet looked bad with Sermier's injured ankle and Plaatsman's illness. But Charlie Lawrence took over for Plattsman, and our harriers took the meet. This entitled the top seven runners of Kingston to run in the state meet at Watertown. Here, "Chip" Ennis, with a commendable seventh place finish, led teammates Rick Cyr, George Brocco, Barry Goggin, Ed Sermier, Dick Plaatsman, and Jeff Davis to a fourth place finish. This was truly an incomparable season for the Kingston Cross Country Squad and for Coach G. Warren Kias.

This year, Coach G. Warren Kias found most of his track strength in the sophomores and juniors. Even though graduating seniors e Barr, Bill Dickson, Bruce Eyman, and Frank Fabiano left a great gap in the team, there were a number of upcoming boys who d the potential for filling their shoes. The mile was handled by "Chip" Ennis, George Brocco, and Dick Plaatsman. The 880 ınd strength in Rick Cyr, Marc Johnson, and Jeff Davis. The greatest loss was felt in the 440, but Frank Lancer and Charlie Lawrence re able to take control. Bill Dickson left the pole vault in the hands of Dean Short, while Frank Fabiano left Tom Auringer with e 100 and 220 yard dashes. John Falvey's shoes in the shot were filled by Phil McDonald and Charlie Wilson who also worked with e discus.

This was the last year that the K.H.S. track team witnessed the wonderful coaching of G. Warren Kias. The Track Squad would like express its deepest gratitude for the time and effort "The General" gave us.

COACH G. WARREN KIAS

K.H.S. Says Good-bye to "The Coach"

This year Coach G. Warren Kias retired after 36 years of service to Kingston and its school system.

Words alone cannot tell of this man's dedication to his work, the inspiration he offered others, and the energies he spent on his work at K.H.S.

Coach Kias has been more than a Director of Athletics; he has been a character builder, an invaluable advisor to the young, and a firm believer in the American way.

Coach Kias, we thank you for everything you have given us.

We shall not forget you.

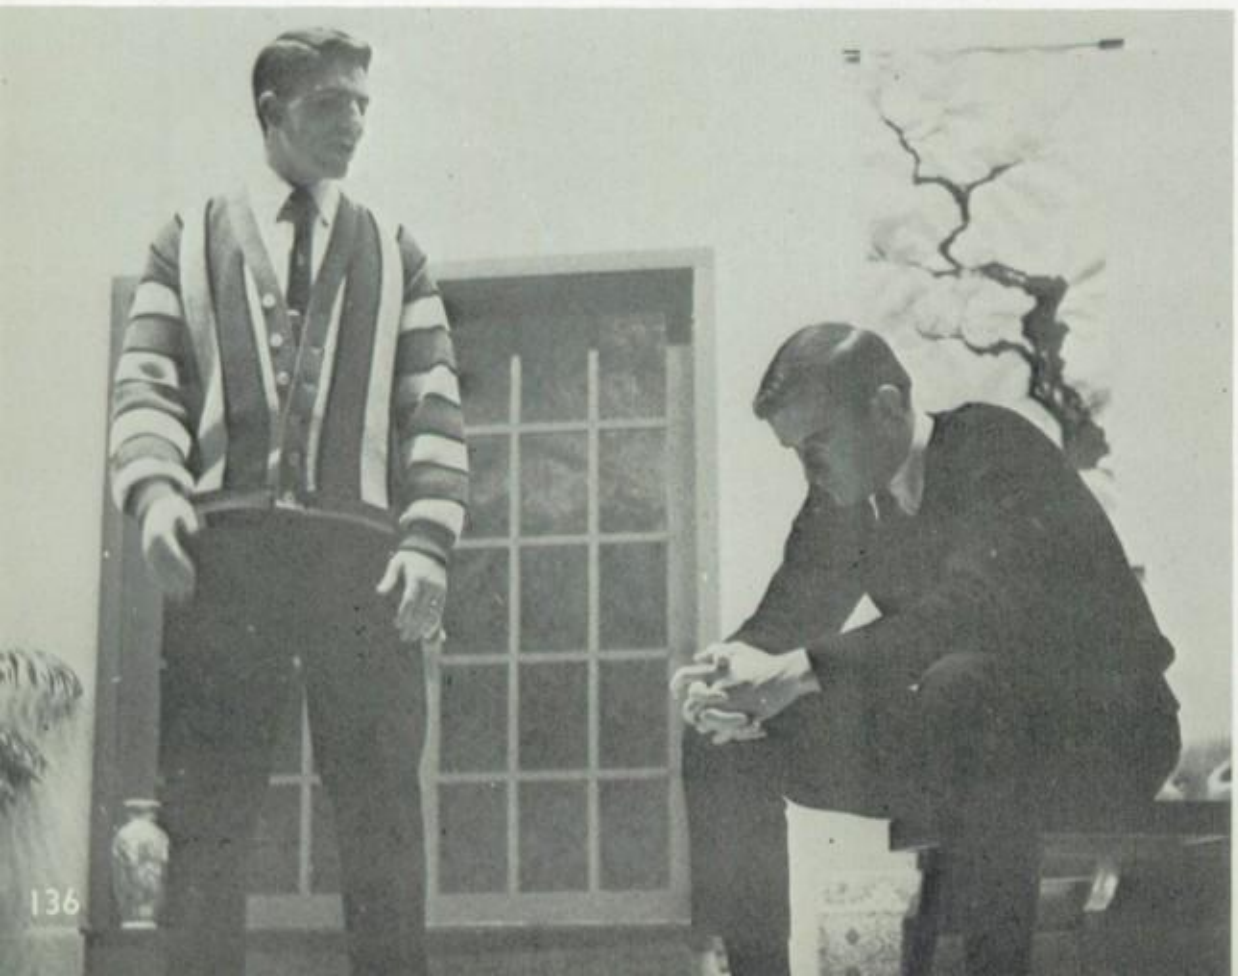
The Senior Play

A dramatic moment in *LOST HORIZON*. James Bushnell and Barbara-Anne Williams look to Jack McGarry who played Conway.

Pete Goldfarb, who played the suspicious American, looks on as Robert Cavano, who played Chang, tries to convince the Americans to stay in Shangri-La.

On November 15, 16, and 17th the Senior Class of 1963 added to their achievements the very successful presentation of the thought-provoking drama *Lost Horizon.* Under the able direction of Miss Marcella O'Bryan, the characters adopted from James Hilton's novel came forcefully to life.

The play opens when four people are mysteriously rescued from a plane crash by people from Shangri-La. The leader of the English group, Conway, portrayed by John McGarry, soon discovers that the civilization of Shangri-La, created by the High Lama portrayed by Neil Miller, has a secret purpose. Here one could live for hundreds of years in eternal spring surrounded by all the finest culture and far from the trouble of warring nations. Conway is willing to remain at Shangri-La. The candid American, artfully enacted by Pete Goldfarb, and the flighty missionary, convincingly played by Jane Kelly, are also willing to remain for reasons of their own. The conflict comes when Mallinson, the head-strong friend of Conway, becomes determined to return to England. Mallinson was powerfully portrayed by Jim Bushnell. The resolution of this conflict created both an inspiring and enjoyable experience.



James Bushnell pleads with Jack McGarry to return to civilization.

"Lost Horizon"
